### DEALING WITH STRESS

Being a student can be very stressful. There are a lot of demands on your time and energy, and sometimes too much stress can make it even harder to do what you need to get done, let alone enjoy the college experience. But the good news is that you don't have to let stress take over your life. The first thing to do is identify the sources of stress in your life. They can be due to the circumstances in ...

### DEALING WITH WIND TURBINE APPLICATIONS

Dealing with the planning system This morning I will try to help you to respond to planning applications. There are two types of planning application those that require an Environmental Impact Assessment (EIA) and those that do not. Substantial developments such as a wind farms will generally need an EIA, which means that what is called an Environmental Statement (ES) must be submitted with the planning...

### DEALING WITH CHANGE: PART I, PERSONAL CHANGE

by Michael Comer, DM This is Part I of a two-part article dealing with managing and implementing change. Part I examines methods of leading personal change among employees. Part II examines change within organizations. People don't mind change they do mind being changed. As leaders it becomes our responsibility to assist people in moving beyond their comfort zone into a level of acceptance of change....
